SV-1500T2-PM - Pricelist

15" Panel Mount LCD Monitor

Stealth builds high quality LCD monitors suited for industrial and commercial applications. Our 15" Panel Mount LCD comes equipped with an environmentally sealed front panel that is resistant to splashes or hose downs. All Stealth Panel Mount LCD products are easily installed by securing the rear studs into your console, panel or wall.

We offer Panel mount, Rack mount and Open Frame designs as standard off-the-shelf products in 6.5" up to 26" diagonal sizes. Stealth's LCD products are environmentally sealed to NEMA 4 (4X with Stainless Steel bezel) / IP65 and are ideal for applications where dirt, dust, moisture and water are present. Stealth Computers rugged LCD products are constructed from solid steel and stainless steel for corrosion resistance applications. The SV-1500T2-PM panel mount lcd comes equipped with Resistive Touch Screen standard and Capacitive touch screen is also available as an option.

Stealth is an ISO 9001 manufacturer with over two decades of proven success at delivering high quality product solutions and excellent support all over the world. Our proven track record is reflected in our impressive customer list that includes fortune 500's, governments, educational institutions, as well as small and midsize enterprises right down to sole proprietorships.
