19" LCD Monitor 1U Rack Drawer

Optimize Rack Space with a Slim 1U LCD Monitor in a Drawer

Stealth FlatRack LCD monitors have been designed for easy installation into standard 19" rack cabinets. The high strength slide-rails have lockable fixed positions to prevent movement when typing. In its resting position the Stealth LCD monitor measure only 1.75 inches or 1U in height providing a significant cost savings by using less rack space.

The Stealth ultra-thin LCD monitor can operate in its open state even with the rack cabinet doors closed. Standard units ship with a built-in 110/220VAC power supply. Optional DC Power inputs of +12, +24 and -48VDC are also available. Other FlatRack models are available with a range of LCD sizes, Widescreen, KVM Ports, and various video inputs.

Stealth.Com is an ISO 9001 manufacturer with over two decades of delivering quality solutions and support all over the world.
